## PITT #46: The Legend of the Ass Grabbing Bandit

Since we apparently bought WAY too much food for the Green Dress Run, enjoy the leftovers this Thursday night! Cum join us on a lazy stroll through Squirrel Hill, since we’re still wiped out from the GDR. Much like OCD’s ex-wife, trail will be short, flat, and dry.

POST TRAIL COMMENTS from Cock Smitten - shout out to Moon helping Scout & choosing the circle location. OCD gets the credit for the beer hunt at the grave yard. Thanks to Tasty for taking Moon’s spot & also thanks to OCD & Tasty for saving the trail when Cock Smitten blew out his calf.

## Missed Erections Directions

*The PITT version of Craig's list – "[missed connections](#)". These are anonymous listings to try and reconnect with someone on trail that you weren't able to connect with in person. Feel free to respond or share your own.*

You: Seductively laying on a cooler at circle. Me: Casually pouring my beer on my penis. Did I get any on you? Reply back with what color my taint was and I'll help clean you up.

I was furiously masturbating behind my great grandfather's tombstone when I saw you running my way. I was going to say hi, but I was too shy. I'm pretty sure you were a dude. Let's get coffee sometime.

I'm sick of the back and forth! You know how I feel about you. I knew there was something special since our first down down. Just let me in...

Whoever ate the last sleeve of thin mints: I hope you read this on your phone while driving your car and get into a horrible accident that renders you a vegetable. Fuck you.

I skipped the first beer stop to watch you pee in the woods. Thanks for that.

I touched your butt on trail. You told me not to do it. But I know you liked it. Tell me what color my skin was, and let's meet up sometime. P.S. I'm not black.

## Song of the Week

Melody – Row, Row, Row Your Boat

Down, Down,  
Down, your beer  
To pay for your crime.

Quit complaining  
about the taste  
There's no cum this time.

YOUNGER,  
LOUDER &  
SNOTTIER

Hopefully Purple Princess learned to show some respect & Shut the Fuck up during circle. "Shhning" the RA while he was presenting the cups to get a picture. Not ok.
