A PAID COMMERCIAL ANNOUNCEMENT

University of Phoenix®

College of Hashing

Join us now in the Phoenix University College of Hashing and you will instantly be enrolled in our **Free Online 3 credit Haring 101 course**.

Our Haring 101 course features guest speakers including:

Jesus serving up a lecture on The Golden Rule of Haring: Lay unto others as you would enjoy running yourself. (Serving up the fishes and loaves wouldn't hurt either.)

Mr. Rogers will provide clarity on The Difference between Being Abusive and Providing a Challenging Trail. (Can you say challenge? I knew you could.)

Willie Nelson on the Perils of Warm Beer. (Dude, you could lay the most harshly discordant trail, have COLD beer, and you'd still have some strings of harmony. On the other hand, if you lay the finest orchestrated trail ever put to music, offer your guests WARM beer, you will find that everyone will sing you the Blues.)

The Easter Bunny on the Folly of Hiding Marks. Finding marks shouldn't be like finding Easter Eggs. The hash is about FOLLOWING the trail, not FINDING the trail.

Moses commanding, Virgins Shalt Not Lay with Other Virgins: Woe be unto the Hash when two or more virgins lay together. A pox upon our Hash House for not finding RESPONSIBLE Mentors for our virgins."

Helen Keller provides further insights on the importance of good hashing mentors with The Color Blind Leading the Blind: A retrospective on failed trails.

And **Sister Mary Elephant** with methodology for getting the hash to SHUT THE FUCK UP!

Song of the Week

IT'S A SMALL DICK

Melody - It's a Small World

Well it isn't long and it isn't thick,
It gets hard too slow and it cums
too quick,

It gets lost in her twat,
But it's all that he's got,
It's a small, small, dick.

It's a small dick after all,
It's a small dick after all,
Always limp from alcohol,
It's a small, small, dick!

The pack heads up a ravine and into the woods
